

Empower Your Workforce for Global Success

Overseas Markets Immersion Programme (OMIP)

Support companies to groom their local workforce for global or regional roles through overseas postings and on-the-job training to gain relevant in-market experience.

How does this work?

Companies with market expansion or business transformation plans

Singapore Citizens / Permanent Residents without relevant overseas experience in the identified market

Work with appointed programme partner to send selected employees for overseas on-the-job training to develop global ready talents

How can this benefit the company?

Up to 9 months:
Up to 70%

salary support
(capped at \$5,000/month)

overseas allowance
(capped at \$3,000/month)

Reskilled global ready talents!

Ready to go global?
